

MOUNTAINSIDE HOSPITAL

October 15, 2010

To Berekti and the wonderful staff of Mesob,

Thanks so much for your generous contribution to our Family Health and Wellness Day competition. The whole panel of judges loved your dish! It was truly delicious and so natural and healthy! Some of our panelists had never tried Ethiopian food before and they had nothing but good things to say about it. The dishes you provided for the event itself were very well received. People were asking me about the dishes, and there were no leftovers! We gave out all of the menus and people were asking about your location. Thanks again for being so willing to participate. We hope to work with you again in the future!

All the best,

Emily Johnston and the
Community Health Department of Mountainside Hospital
